School of Biomedical Sciences (SBS) Early-Mid Career Researchers Association (EMCRA) **2018 Travel Award**

The School of Biomedical Sciences EMCRA steering committee are inviting applications for **two travel awards, valued at \$1000 each**. The purpose of these awards are to support EMCR's who have been unsuccessful with acquiring support for travel in the past 12 months.

Eligibility:

1. Applicants must be level A/B research fellows employed in the School of Biomedical Sciences at the University of Melbourne.
2. Applicants must spend the award funds by 31st December 2018.
3. Applicants who have received a travel award from any organisation in the past 12 months are ineligible.

Assessment criteria:

1. Scientific excellence and clarity of abstract.
2. Likely professional benefits of the applicants' proposed travel.

Application instructions: Applicants are to complete all fields of the application form.

Value: Two awards of \$1000 each are available.

Due Date: Wednesday October 17th at 5pm
