

Friday 6th of July, 3:30-4:30pm

PhD Oration Bogoyevitch Laboratory

MengJie Hu

Respiratory Syncytial Virus Infection Impacts Host Mitochondrial Organization and Function

Department of Biochemistry and Molecular Biology, University of Melbourne

Bio21 Institute Auditorium

Host - Department of Biochemistry and Molecular Biology

Thursday 12th of July, 12-1pm

Prof Gregory Cook

Tackling drug-resistant tuberculosis by targeting multiple components of mycobacterial bioenergetics

University of Otago, New Zealand

PDI Auditorium

Host – Department of Microbiology and Immunology, Dr Deb Williamson

Friday 13th of July, 4-5pm

Dr Stefan Bagheri-Fam

Mouse models of human disorders of sex development

Department of Anatomy and Neuroscience, the University of Melbourne

Frederic Wood Jones Theatre, level 3, Medical Building

Host - Department of Anatomy & Neuroscience

Friday 20th of July, 3.15-4:15pm

PhD Oration

Simone Park

TBC

Department of Microbiology and Immunology

PDI Auditorium

Host – Department of Microbiology and Immunology

Friday 20th of July, 4-5pm

Dr Mark Green

Endocrine disruptors and their effects on fertility and the early embryo

School of BioSciences, the University of Melbourne

Frederic Wood Jones Theatre, level 3, Medical Building

Host - Department of Anatomy & Neuroscience

Wednesday 25th of July, 12-1pm

Dr Lynette Beatie

TBC

Department of Microbiology and Immunology, University of Melbourne

Bio21 Institute Auditorium

Host - Department of Biochemistry and Molecular Biology

Friday 27th of July, 4-5pm

Dr Dan Johnston

Emerging strategies for neuroprotection – harnessing stress to enhance resilience

University of Sydney

Frederic Wood Jones Theatre, level 3, Medical Building

Host - Department of Anatomy & Neuroscience

Friday 27th of July, 3:30-4:30pm

PhD Oration Bogoyevitch Laboratory

Sunyuan Zhang

TBC

Department of Biochemistry and Molecular Biology, University of Melbourne

Bio21 Institute Auditorium

Host - Department of Biochemistry and Molecular Biology

Monday 30th of July, 12-1pm

Dr Mohammad Azad

TBC

Monash Biomedicine Discovery Institute

Rand Theatre, Level 8, Medical Building

Host - Pharmacology & Therapeutics
