REQUEST FORM – CARBAPENEM RESISTANT ENVIRONMENTAL ISOLATES

Microbiological Diagnostic Unit – Public Health Laboratory

Department of Microbiology & Immunology, The University of Melbourne (APA)
Level 1, The Peter Doherty Institute for Infection and Immunity, 792 Elizabeth Street, Melbourne, VIC 3000
Ph (03) 8344 5713 Fax (03) 8344 7833 Email publichealth.lab@mdu.unimelb.edu.au
Director: Prof. Benjamin Howden, MBBS, FRACP, FRCPA, PhD, 206527 QB

EV

Submitter / address for report

Name (Person)..... (Organisation)..... Phone No.
Postal Address Postcode Fax No.
Copy to: Name Fax Number

Details of investigations

Name of premises where samples originated:
Address: Postcode
Type of facility: Health care facility Aged care facility GP/medical clinic Other
Reason for testing: Routine sampling Case or outbreak Investigation Special survey Other.....
Is collection of these samples linked to known CPE case(s)?
 Yes No Unknown *If yes, please specify case(s):*

Was a CPE case admitted to the ward or location of sampling in the previous 6 months?
Please use a separate form for each ward/location.
 Yes No Unknown N/A
If yes, case ID(s)/name(s): _____ Date admitted: _____ Date discharged: _____
