

SNAKEBITE
AFFECTS MORE THAN
4 MILLION PEOPLE
EVERY YEAR.

**WE STAND WITH THE
SURVIVORS**

HELP PREVENT SNAKEBITE AND SAVE LIVES

Snakebite affects more than 4 million people every year. 125,000 of them will lose their lives. 400,000 more will be permanently disabled. Join the Initiative and stand up for snakebite survivors today.

1. GIVE SURVIVORS A VOICE

Become a voice for the voiceless. Advocate for more resources to prevent and treat snakebite and share posts about snakebite on social media. Resources are freely available via our partners at minutestodie.com.

2. SUPPORT SURVIVORS

Save a life and support snakebite survivors by donating to our partners across India & Africa via snakebiteinitiative.org. \$12 will cover daily hospital costs for a snakebite patient in Swaziland, while \$150 will buy a vial of antivenom in Kenya.

3. JOIN THE INITIATIVE

Visit snakebiteinitiative.org and become a GSI member.
