

Addendum to 2020 EMCRA Collaborative Award Application Form: Clarification of Section 2.3

The title of this section is potentially misleading, and should more accurately be:

2.3 Describe how this collaboration was initiated

The guidance text under the section heading (*"For reporting purposes, please briefly describe how the collaboration was initiated"*) is accurate. This $\frac{1}{4}$ page is simply an opportunity to inform EMCRA how the collaboration was initiated in order to help EMCRA design events to facilitate the formation of collaborations in future rounds. It is not externally assessed, and is not intended to be used to determine the nature and extent of existing collaborations, despite the section title.
