 (3) Refrigeration means kept at 2-8°C

**For Chain of Custody only**

Does Chain of Custody apply to this request?  Yes  No If Yes, please refer to explanations and complete the section below.  
 Is this submission made under Chain of custody?  Yes  No  
 If Yes, has MDU form FM 979 been completed?  Yes  No

Chain of custody is necessary whenever legal action may follow under any Act, especially in food or water borne outbreaks. It refers to the ability to trace possession from time of collection, and handling of sample or specimen through transport, storage, analysis and final disposition.

Does this submission have more than 1 sealed item?  Yes  No  
 If Yes, has MDU form FM 1718 been completed?  Yes  No

When there is a need for individual specimen or sample security and there is more than one individual container, details of each seal should be provided to ensure any evidence of tampering can be ruled out.
